Re: Brier 2020 Appeal – Letter of Support

On behalf of CFB Halifax Curling Club, please accept this letter of support to Curl Moncton in their application for the 2020 Brier.

Curl Moncton has reached out to curling clubs in Atlantic Canada for support of their bid for the 2020 Brier. The intent is strengthen their bid by pre-selling event package deposits.

CFB Halifax Curling Club is choosing to support Curl Moncton for taking this initiative. We recognize that a successful bid will benefit the entire region. People in Atlantic Canada will support the event at the collision and through the media. The hype created by the Brier will create interest in the sport and bring more people out to all of our clubs.
